Sir

In the Reference to the Correspondence ending with your letter no A3-C 1720/46 dated 4 3 47 on the above subject, I am directed to State that the efficacy of the present arrangement is doubtful as Sheep and

goats are Slaughtered every day
and it Could hardly be possible
for the Veterinary Inspector to
examine the animals Slaughtered
by visiting the place twice
a week. There can also be
no guarantee that only animals
examined and certified by him
every each visit are Slaughtered
~~during~~ on the following days
If there is no Slaughter house
at the place as stated in your
letter dated 4th inst, where does the
Slaughtering actually take place and
under whose Supervision?

A ~~clear~~ detailed Report
in making the position clear in
respect of each of the above points
may be submitted ~~for the orders~~
